### Why We Can Sit.

A Boston schoolboy gave the following definition of the spine: "The spine is a long bone reaching from the skull to the heels. It has a hinge in the middle, so that you can sit down; otherwise you would have to sit standing."

### THE BIRDS AND BEES.

I think the bees, the blessed bees, Are better, wiser far than we. The very wild birds in the trees Are wiser, far, it seems to me. For love and light and sun and air Are theirs and not a bit of care.

What bird makes claim to all God's trees? What bee makes claim to all God's flowers?

Behold their perfect harmonies. Their common bond, the common hour! Say, why should man be less than these, The happy birds, the hoarding bees? —Joaquin Miller.

### Presence of Mind.

One of Mrs. Hamilton Fish's rules when her husband was secretary of state in Grant's cabinet was to return every call she received. Her husband was continually holding public receptions, and many women would come who had no desire that Mrs. Fish should call upon them.

One such woman attended a Fish reception, left her card and a little later was duly honored by a call from Mrs. Fish.

It was a beautiful, mild afternoon. The Fish equipage, all a-glitter in the wintry sunshine, dashed down the narrow street and halted before the woman's little house with a musical jingle of silver chains. The footman leaped from the box and opened the carriage door, and Mrs. Fish descended.

The woman of the house was kneeling on the sidewalk beside a bucket of hot water, with a scrubbing brush in one hand and a cake of soap in the other. She was scrubbing the front steps.

Bending graciously over her, Mrs. Fish asked politely, "Is Mrs. Henry Robinson at home?"

And Mrs. Henry Robinson replied, "No, mum, she ain't," and went on scrubbing.—Lippincott's.

### Her Position.

An applicant for teacher in a country school was asked, "What is your position with regard to the whipping of children?"

"My usual position is on a chair, with the child held firmly across my knees, face downward," was the reply.

### A Noisy Eater.

Ex-Senator William E. Chandler has an admirer in New Hampshire who has ideas on how the government should be conducted and writes Mr. Chandler about them at great length.

After Chandler was defeated for the senate and before he was appointed president of the Spanish claims commission the friend wrote, condoling with the senator.

He said it was a shame that the nation and New Hampshire should be deprived of the services of so able a man as Mr. Chandler and closed with this prophecy: "Nevertheless, I do not think republics are ungrateful. I am confident that your great merits will again be recognized and that at no late date we shall hear of you feeding again at the public crib."

### All the Same to Him.

One of a party of gentlemen left his corner seat in an already crowded railway car to go in search of something to eat, leaving a rug to reserve his place. On returning he found that, in spite of the rug and the protests of his fellow passengers, the seat had been usurped by a woman clad in handsome clothes. With flashing eyes she turned upon him:

"Do you know, sir, that I am one of the directors' wives?"

"Madam," he replied, "were you the director's only wife I should still protest."—Ladies' Home Journal.

### What She Was Like.

"Do tell me what Mrs. Tewler is like," she asked of her husband.

"Well, she's a woman of sixty who looks fifty, thinks she is forty, dresses like thirty and acts like twenty."

## Epilepsy, Fits

Convulsions, or Spasms and St. Vitus' Dance are Nervous Diseases. Most cases can be cured by strengthening and building up the nervous system. To do this a nerve medicine is needed. Dr. Miles' Nervine will be found efficacious and satisfactory. It has cured many cases of these diseases and we believe it will cure you. We can give you names of many who have been cured through its use. Write for advice.

"My son John had epilepsy for years, and after having him treated by specialists for over 2 years he still continued to have spells. I had almost given up in despair, but knowing the virtue of Dr. Miles' Anti-Pain Pills for sick headache, I concluded to try the Nervine. During June, 1906, I gave him a teaspoonful three times a day, then in July I gave it as directed, and I could see that he was improving, and he has not had a spell since August 28, 1906, and has taken no medicine since Jan. '07. I am writing the case just as it is hoping it will induce others to try it."

Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it fails to benefit you.

### Righting a Wrong.

A burly, fierce looking man and a meek, inoffensive looking little chap were sawing timber with a crosscut saw. A strapping Irishman, passing that way, stopped to watch them. Back and forth, back and forth, they pulled at the saw. Finally the Irishman, with a whoop and a yell, rushed at the big man and brought him to the ground, burying his knees deep into the sawyer's chest.

"Biff! Bang! Thump! Biff!"

"There," he said, letting him have one parting blow square on the nose, "now maybe ye'll let the little fella be it!"—Everybody's.

### There Was but One.

"Oh, my dear," said the new proud mother to her husband, "I wish you could see the new baby across the way. It's perfectly lovely. Such a delicate, sweet little creature as it is! It's a perfect little cherub, with the loveliest eyes, the sweetest little mouth and the cunningest little nose. It looks as if it had just dropped from heaven and every tiny feature had been fashioned by the angels."

"Is it as nice as our baby?" asked her husband.

"Mercy, no—not half!" was the emphatic reply that came from the vicinity of the dainty ruffled crib.—Ladies' Home Journal.

### A New Letter.

Mother (teaching her child the alphabet)—Now, dearie, what comes after G?

"Whiz!"

### Generous Restitution.

A few years ago there went to one of the northwestern states a Boston newspaper man whose mission it was to "write up" lynching in that quarter, although there had not been an illegal execution in the state for a long time. The natives took the questions of the eastern scribe in good part and even "jollied" him into believing that for downright lawlessness the community wherein he was sojourning was about the most conspicuous portion of the United States.

"Don't you ever make a mistake in these lynchings?" guilelessly asked the Bostonian. "That is, don't you ever lynch the wrong man?"

"That happened once," put in some one, "but we tried to do the square thing by the widow."

"Indeed?"

"Yes; we appointed a committee to inform her that the joke was on us, and we gave her the choice of the crowd for her second husband."—Lippincott's.

### Struck Blind.

After acquiring a considerable amount of money in the United States a young Englishman returned home and decided to give his old father a treat by taking him to London. The father had never been in a train before and commenced the journey with many outspoken anticipations of dire events. All went well until the train suddenly dashed into a tunnel. Bang went the old man's fist on his son's nose as he cried: "I told you something would happen, you young villain! I'm struck blind!"

### Polite James.

"James, I wish you would not come to school with such dirty hands. What would you say if I came to school with soiled hands?"

"I wouldn't say anything," was the prompt reply. "I'd be too polite."

### An Evidence of Good Training.

When young Meagles took the train for Harvard his father said: "As soon as you find out let me know if you have passed your entrance examinations."

Two days later, in the midst of making a heavy deal, he received the following telegram: "Yes. J. Meagles, Jr."

Somewhat preoccupied and puzzled, he telegraphed back: "Yes, what?"

The well trained son wired back: "Yes, sir."

## A Woman's Back.

The Aches and Pains Will Disappear if the Advice of This Petoskey Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache. That's why Doan's Kidney Pills cure it.

Many Petoskey women know this. Read what one has to say about it. Mrs. M. A. Graves, living at 618 Walkazon Street, Petoskey, Mich., says: "Kidney disease bothered me for years and nothing I did seemed to allay the pain and misery until I got Doan's Kidney Pills at the Central Drug Store and began using them. I suffered from sharp darting pains in my sides and loins so bad that no position I assumed was comfortable. I had dull heavy headaches and there was a soreness of the muscles and joints. I can say that Doan's Kidney Pills gave me more benefit than all the other remedies I ever used put together. I told of my satisfactory experience with them at that time, and am now able to recommend this valuable remedy as highly as I did then. I am a firm supporter of the claims made for Doan's Kidney Pills."

For Sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other.

### The Best Laxative for Children.

Parents should see to it that their children have a natural, easy movement of the bowels each day. Do not dose the child with salts or gripe pills, as they are too powerful in effect, and literally tear the little insides to pieces, leaving the bowels weakened and less able to act naturally than before. Laxative Iron-ox Tablets tone and strengthen the bowels, and stimulate all the little organs of healthy activity. Choccolate coated tablets, easy to take, never gripe or nauseate. 10c, 25c and \$1.00.

## A Square-Deal

Is assured you when you buy one of Dr. Pierce's Family Medicines—for all the ingredients entering into them are printed on the bottle-wrappers and attested under oath as being complete and correct. They are gathered from Nature's laboratory, being selected from the most valuable native, medicinal roots found growing in our American forests. While potent to cure they are perfectly harmless even to the most delicate women and children.

### Not a drop of alcohol enters into

Dr. Pierce's leading medicines. A much better agent is used both for extracting and preserving the medicinal principles, viz.—pure triple-refined glycerine of proper strength. This agent possesses medicinal properties of its own, being a most valuable anti-septic and anti-ferment, nutritive and soothing demulcent.

**Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, "heartburn," foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and hundred derangements of the stomach, liver and bowels.**

**For all diseases of the mucous membranes,** the "Golden Medical Discovery" is a specific. Catarrh, whether of the nasal passages or of the stomach, bowels or pelvic organs is cured by it. In Chronic Catarrh of the Nasal passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures even in the worst cases.

**In coughs and hoarseness** caused by bronchial, throat and lung affections, except consumption in its advanced stages, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on-coughs caused by irritation and congestion of the bronchial mucous membranes. The

"Discovery" is not so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in its advanced stages—no medicine will do that—but for all the obstinate hang-on, or chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken.

**It's an insult to your intelligence** for a dealer to endeavor to palm off upon you some nostrum of unknown composition in place of Dr. Pierce's world-famed medicines which are of known composition. Most dealers recommend Doctor Pierce's medicines because they know what they are made of and that the ingredients employed are among the most valuable that a medicine for like purposes can be made of. The same is true of leading physicians who do not hesitate to recommend them, since they know exactly what they contain and that their ingredients are the very best known to modern science for the cure of the several diseases for which these medicines are recommended.

**With tricky dealers it is different.**

Something else that pays them a little greater profit will be urged upon you as "just as good," or even better. You can hardly afford to accept a substitute of unknown composition and without any particular record of cures in place of Doctor Pierce's medicines which are of known composition and have a record of forty years of cures behind them. You know what you want and it is the dealer's business to supply that want. *Insist upon it.*
